

ROSS INTERMEDIATE SCHOOL

TE KURA WAENGA O ROSS

4 April 2022

STAGE TWO - COVID MANAGEMENT PLAN

From Tuesday 5 April, we are moving to **Stage Two** of our COVID management plan as we are now dealing with moderate to significant staffing loss and need to work together to provide stability for all akongā.

This means all offsite learners will now engage in our offsite learning programme Ā Tātou Akoranga, instead of being provided learning by their classroom teacher.

Students can access this programme by going to www.rossint.school.nz, going to the Student Hub and clicking on Ā Tātou Akoranga. The structure of the day stays the same for the entire week and all the links are the same. We are trying to keep it as simple as possible.

Instead of engaging with their teacher, students can pop into Google Drop Ins online, or email offsite@rossintermediate.school.nz , to connect with a teacher.

If your child requires a hard pack of learning materials or their computer has been left at school, please let us know by emailing offsite@rossintermediate.school.nz and we can arrange a time for this to be collected from the office.

If we see your child is not engaging, we may be in touch to just check in. We understand everyone is facing different challenges at home, so please let us know if your child is opting out and if we can support you in any way.

SPECIALIST INQUIRY

We have made the difficult decision to cancel all Specialist Inquiry sessions for this week and we hope to resume the final three lessons next week. We do not have the capacity to be able to manage both classrooms and these programmes this week.

We have 18 staff members away from our kura today and we are expecting fluctuating numbers over the next two weeks. We also have between 120-160 students away per day at the moment. Please be kind as we navigate the last two weeks of Term One together and get in touch if you have any questions or comments - principal@rossint.school.nz

Ngā Manaakitanga,

Wayne Jenkins
